# *We Are Building Pathways To Success*

Our highly skilled, student-focused staff is committed to creating success for all school stakeholders in the South Fulton County communities. Our goal is to build relationships with the community-at-large and engage in meaningful collaborative work to move Wolf Creek Elementary School forward.

### At Wolf Creek Elementary School we...

...provide the foundation for learning and help mold children into who they will become. We believe in educating the "total" child so that they will be the best person that they can be. Each day with each student should be a day where we have made a difference! Innovative teaching and learning, active student participation, rigorous and engaging classroom instruction and building community partnerships are our highest priorities.
