

CAMP CREEK MIDDLE SCHOOL

ALL PARENTS, FAMILIES, AND
COMMUNITY MEMBERS ARE INVITED AND
ENCOURAGED TO ATTEND

All parents, families, and community members are invited and encouraged to join us at our Title I Assessment Workshop. Parents and families play an integral role in the education of their child. We welcome your input at either meeting.

For your convenience, we've provided two opportunities on Tuesday, January 6th @ 9:30 AM and 2:00 PM. You may also attend the Assessment Workshop on Wednesday, February 7th @ 6:00 PM.

Purpose: All tests, including state assessments, provide information about student learning that help the parent and teachers to instruct the students better and help them succeed.

- **The purpose of assessment is for the student to show what he/she has learned.** The information from state assessment results in combination with other academic measures will help the (and parent) focus instruction on subject areas in which the student needs more time to understand and master the content.
- **Test results are important indicators of academic progress.** Tests help educators with determining student grade level placement, designing
- **Parents can learn how to help their students work through anxiety about testing.** Let your student talk about testing. Discuss with your student the reasons he/she might fear tests or feel pressure to do well.
- **Parent will learn more about current state assessment processes** and different concerns and inaccurate concepts about testing.
