

Cambridge High School: Student Parking 2023 - 2024

Student Parking on Cambridge HS Campus

Students have the privilege of parking on campus during the school day in their assigned parking space. Students are not permitted to park in the front of the building during the school day as faculty/staff, visitors, and substitute teachers have reserved parking spaces in that area. Parking on campus, for Seniors, is only available through an application/approval/permit process.

Parking Application/Approval/Permit Process

Students who are not eligible during the senior and junior lottery time periods may complete the student parking application form for the remainder of the school year when they do become eligible.

Step 1 Complete the online application posted on our website

Step 2 Receive a 'parking application approved' email from maize@fultonschools.org that includes a unique OSP link to pay your fee for parking. (Usually within 2-3 business days).

Step 3 Make your OSP parking fee payment and print your receipt

Step 4 Bring your receipt and driver's license to the Ms. Ellison in Bridge East to receive your parking permit. *Parking permits will only be issued to those applicants or their parent/guardian who have been notified that a space is available for them.*
