ACCESS
• If you are a current parent and had a Campus Portal account previously in Fulton County, nothing needs to be done. Your prior account will continue to work if your student is an active student.
• If you are a current parent and need to add a new student to your profile, complete the Online Registration found in the section “More”
• Parents new to Fulton County can register one of two ways, 1) From an email they receive within 24 hours of registration or 2) By requesting a registration email from the Fulton County Parent Portal page.

New Parent User Registration
• From the FCS website, click on the icon Campus Portal

![](image)

• Click on the link – Infinite Campus Parent Portal Activation and enter the email address that is on file with Fulton County Schools.

![](image)

• Once you receive an email to enroll in Campus Parent, click on the link provided.
  o The email will come from InfiniteCampus@fultonschools.org.
  o If you are using a Gmail account, you will need to check both your Spam and Junk folders.
• To register a Fulton County student, you must provide the following information:
• After registering, you will then create your username and password.

• The first time you sign in, a recovery email address will be requested. This is the email address that will be used if you forget your username or password.

• The Campus Password is the same password that was created on the previous screen.

Logging In

**Parents:** Go to [www.fultonschools.org](http://www.fultonschools.org). Select the Campus Portal icon in the middle of the page:

• From the Campus Portal Landing Page, click the Enter the Infinite Campus Parent Portal button

• You can log into Campus Parent via the Web or by downloading the App to a smartphone.
• Enter the username and password you created.

Students: Go to www.fultonschools.org. Select the Classlink icon in the middle of the page:

• Enter your FCS log in credentials to access Classlink

• Click the FCS Apps and click on the Infinite Campus Icon

Symbols & Icons
• When on the web, Campus Portal, select the icon ‼️ to collapse the menu on the left side of the screen.
• Select the desired student (if you have more than one)
• To view any notifications or messages, select the bell 📣
• To review account settings, select the person icon ☑️
Settings

- Access account settings by clicking on the person icon and selecting “Settings”

Notification Settings

- Allows the users to opt out of receiving specific kinds of notifications, establish thresholds, and set limits. Click the arrows to change the threshold or click and drag the dot.

Account Settings

- Account settings allows a user to update their security email and password. The Account Security Email is the email used if a user forgets their username or password. This was completed when you created your Campus Portal account.

- Passwords can be modified by clicking update. Strong passwords are enforced. Passwords should have a minimum of 8 characters and at least one character must be a number. Do not use special characters (i.e. @, #, $, %).
Contact Preferences
- Manage your contact preference by selecting the desired language, when you receive messages, and how you receive that message (phone call, email, or text message). Messages can be sent about priority, general information, attendance, teacher communication, behavior, and emergency. **Currently messages are only being sent via email.** If changes are needed for email or phone, make them in the Family Information section under More.

Current Devices
- This will show what mobile devices have been linked to your account.

Message Center
- The Message Center includes announcements that are posted by the school or district level. Click Show More to display additional text for longer announcements.
- The Inbox displays messages sent to the parent, including those from teachers. They may contain valuable information about possible field trips, assignments, school announcements and assemblies. Please check regularly and delete when read. Click on the > to expand the information.

Today
- The Today view shows the selected student’s schedule for the current day, any assignments due today or tomorrow and any documents needing attention if applicable. The schedule shows the courses, time of day, teachers name and room number.

Calendar
- The Calendar displays data for Assignments, Schedule, and Attendance. Dots below dates in assignments or attendance have data. Click on the date to expand the information.
Assignments

- The Assignments tool lists all assignments for the student for the entire school year. The subject, comments and grades are listed. Click specific assignments to view details and scroll to see previous and future assignments. Use the **Missing** and **Current Term** buttons at the top to filter assignments.

Ggrades

- The Grades tool shows all the grades earned by the selected student for all tasks. Term grades are posted in bold, with In-Progress grades indicated as "In-progress."

- Clicking on > next to the grade will display the assignments that make up the specific grade.

Gradebook Update

- Grade Book Updates lists all the assignments that have been scored or updated in the last 14 days. These are listed in the order the teacher updated the gradebook, not by due date.
**Attendance**

- The Attendance tool lists the absences and tardy for those periods that took attendance. Navigate between terms using the options at the top. To view details, click on a specific period. On the detail view, absences and tardy are divided by type (excused, unexcused, exempt, or unknown), with all absences and tardy listed below.

**Documents**

The Documents tool allows user to access a PDF of any document shared with them. From here parents and students can access schedules, report cards, progress reports and unofficial transcripts for the specified student. If the student is in Special Education, the IEP/Eligibility should be available. Documents that require action, i.e., TAG eligibility, Withdrawal Form, Code of Conduct, FRL Consent, Counseling forms, etc., are also available in the Documents tool. When using a smartphone, check your settings to allow PDF documents.
How to View/Print Documents

**Step 1:** Open Campus Student/Parent Portal  
**Step 2:** Click on Documents  
**Step 3:** Select the desired document you wish to view or print

- **Step 1:** Open Campus Student/Parent Portal  
- **Step 2:** At the Campus portal landing page, click Documents in the left menu.

- **Step 3:** Select the desired student if more than one and click the arrow next to the document to generate the PDF.

• **Step 4:** Click on the arrow to open and complete all fields that require information.

• **Step 5:** Click in the signature box and select **SIGN** or **DECLINE**

  o **Step 5a: Sign** - By completing the Sign and Submit, you agree as outlined on the form. Your signature and date will appear on the form.
• **Step 5b: Decline** - By declining, you are NOT agreeing to the request as described on the form. The word DECLINED will appear with the date.

If you have declined and pressed the SUBMIT button, please confirm your selection.

Note: If you have multiple students, you must complete a separate form for each student.

**Academic Plan**

- The Academic Plan (for high school students) displays the student’s assigned Academic Program and the courses the student has planned to take in each school year. Based on the assigned Academic Program, students must meet credit requirements, course requirements, test requirements and GPA requirements. The goal is to meet each requirement for each grade level.

• **Step 8:** Update Parent/Guardian Section. Complete this section if guardian information changes, such as adding or removing stepparent or updating the address of one parent. If a section is in *Yellow*, click edit to make appropriate changes.

• **Step 9:** Update Emergency Contact Section. Review the contact information and click in the box when you need to remove the individual as a contact for ANY of the students in the family.
• **Step 10:** Update Student Information. If any student is highlighted in yellow, you must edit and update all sections. Any areas that need updates will be marked in red. Review these sections carefully.

  o If an emergency contact changes for one student but not another, ensure those changes are made for all necessary students
  o If relationships change for a student, update on the Relationships tab for both Guardian and Emergency Contacts. Remember to update the contact sequence for each contact.
  o Update all Emergency Information such as doctor
  o Update all Health Conditions and or Medications

![Student Information](image)

• **Step 11:** Remember to submit your OLR application update

  All information that is updated will be automatically populated into Campus without the need for review except for the following fields:

  o Changed or New Address
  o New people added to include parents, emergency contacts, other household members, and students
  o Students with any added medical or mental health conditions and/or medications
  o Applications where there is a Parent/Guardian that has been added or removed as a guardian

  If any of these fields are changed by the parent, the school will need to review the application prior to approving the parent’s changes.
