

Fulton County School Nutrition will continue to serve nutritious and safe student meals while schools are virtual.

The FCS FoodStop drive-thru model will be utilized to distribute weekly meals at 22 school sites throughout the district. The FCS FoodStop provides an opportunity for families to drive-up and pick up Grab & Go meal packages for students. To maximize social distancing, drivers are not to leave their vehicles, however walk-ups are allowed.

The first day for meal pick-up will be Friday, August 14, 2020.

Each FoodStop Site will only service students from specific feeder schools. Based on the school a student is enrolled at, families are to visit that assigned FoodStop site.

FCS FoodStop sites will be open Wednesdays from 11:00 - 1:00.
