

Taylor Road Middle School
Summer Reading Assignment
Rising 8th Grade TAG Language Arts
And 8AA ELA
2022-2023 School Year

Read the following novel prior to the start of school:

The Night Diary by Veera
Hiranandani

The book is available on Amazon or may be purchased second-hand from a bookstore like Read It Again. As you read your novel, take notes about the **setting, plot, characters, themes,** and **significant quotations.** Annotations should be done inside the novel itself so that you may use them for an in-class essay. You may take additional notes on paper, if needed, but these may not be used on a writing assignment.

Assessment

During the first week of school, you will be expected to complete a multiple-choice quiz, an in-class discussion, and a writing assignment covering your novel. This exam will help us evaluate your reading comprehension, text analysis, and writing skills, all critical to your success in the TAG Language Arts/8AA course.

Questions

If you have questions about the assignment, contact Dr. Ray, Mrs. Hallam, or Mrs. McCranie.
