

FOUNDATIONS OF ENGINEERING TECHNOLOGY RECOMMENDATION FORM

Student's Full Name _____

The named student above is interested in taking the high school course Foundations of Engineering Technology next school year as an 8th grade student. Please complete the form below which will help in the decision process of enrollment for this course. Please keep in mind this is a high school course for which student will receive one high school unit of credit. Students will be held to the same level of academic performance and responsibility that is expected in high school. **After completing this form, please place it in a sealed envelope and bring it to me in room 210 or place it in my mailbox no later than February 28th.** If you have any questions, please do not hesitate to ask.

Thank you in advance,

Jeff Aiken
