

Dear Parents and Caregivers,

Fulton County Schools and Rethink Ed have partnered to provide you access to our online Social and Emotional (SEL) program. Our SEL program provides videos and activities for both adults and children to support your social and emotional wellbeing. You will have access to strategies and tools that will help you and your child recognize and manage emotions, build stronger relationships, and develop skills to lead happier and healthier lives.

What Will I Have Access To?

Your parent login will allow you to access the following features:

- Access on-demand videos presented by experts in the field developed to support your own emotional well-being.
- Strategies and printable resources to help your child develop skills and set positive goals and make responsible decisions.
- Your child will have access to engaging video and activities that provide opportunities to develop decision-making skills, identify and manage their emotions, feel and show empathy toward others, and communicate well with others.

How Do I Navigate the Program?

Should you have trouble navigating through the program, we have resources to support you.
