Woodland Middle School New Year Student Behavior Compact Letter

Dear Woodland Middle School Families,

Let me begin by wishing you all a Happy New Year filled with many successes and continued progress. During winter break, I hope you had the chance to catch up with friends and family and enjoy some rest and relaxation. I certainly spent some time reflecting on 2022 and thinking about the work and opportunities that are ahead in 2023.

As we begin to start 2nd semester, the Woodland Team places great value on seeing our students showing continued success and academic progress as they move through their academic journey. I am excited to begin our work for the second half of the school year by renorming with all scholars on January 4th. We will renorm by presenting to scholars our 1st semester data, discipline expectations, goals, and opportunities for celebrations. Students will read, view, and sign a behavior compact aligned to the FCS Student Code of Conduct. The presentation and compact will be posted on our school website for our community to view as well.

As we ring in the new year, we see this as an opportunity to check in with students and families to ensure that our students are on-track, prepared and ready for the second half of the year. Woodland continues to strive to become a school focused on educational equity where all children enjoy learning, develop strong relationships, and continue to grow each day socially, emotionally, and academically. As always, thank you for your continued support. Parents, please help to promote by discussing the behavior expectations with your child and reinforcing the school's expectations to promote a positive learning environment.

If you have any questions or concerns, please don't hesitate to contact me.

Sincerely,

Dr. Regina Brown
