¹ The CCRPI Single Score is used for all schools. This list does not take into account school closures, mergers, and other reconfigurations effective for the 2019-20 school year. Schools denoted with an asterisk involved a school merger, closure, split, or other reconfiguration in the past three years that is taken into account through [GOSA's Policy on School Code Changes](#). As a result, prior year CCRPI scores for these schools in this year may not match their previously posted scores.
