Information received less than five (5) days prior to the scheduled receipt of submittals will not be acted upon unless the FCS Contracting Department rules that it is in the best interest of FCS to consider.

c. By submitting a submittal the Contractor warrants that any goods supplied to FCS meet or exceed specifications set forth in this solicitation.

SUBMITTAL CONDITIONS

SECTION I – PREPARATION AND SUBMISSION OF SUBMITTALS

5. FAILURE TO RESPOND TO THE SOLICITATION

If a submittal is not submitted, the solicitation is to be returned marked “no submittal”. Failure to provide a submittal or “no submittal” may result in the Contractor being removed from the FCS mailing list.

However, in the event taxes are required by state or federal law for the services or products outlined in this submittal, such taxes shall be the sole responsibility of the Contractor unless otherwise stated in writing and agreed to by FCS.

7. CHARGES AND EXTRAS

Submittals shall define all pricing and all pricing must remain firm for each year that the contract is in effect. When stating equipment pricing at minimum the stated price shall be F.O.B. destination to include all charges for delivery, unloading, placing in our buildings as directed by the authorities in the buildings, drayage, express, parcel post, packing, cartage, insurance, license fees, permits, costs of bonds and any other cost. Any addenda issued in writing during the time of solicitation shall be included in the submittal, and each will be incorporated in the subsequent contract.

If any person or firm contemplates submitting a submittal and is in doubt as to the meaning of any part of the solicitation documents, they may submit a written request via facsimile at (470) 254-1248 to the Contracting Department for interpretation.

Interpretations of submittal documents will be made by Addenda only. Copies of all addenda will be posted on the FCS Contracting Department’s Website www.fcspurchasingdept.org for all who have obtained a set of submittal documents from the Contracting Department to use in the preparation of submittals. FCS will not be responsible for any other interpretations or explanations.

SECTION I – PREPARATION AND SUBMISSION OF SUBMITTALS

obligation to execute such work in accordance with a later interpretation by FCS. All interpretations made to the Offeror(s) shall be made to the form of addenda to the submittal documents and sent to all Offeror(s). Offeror(s) are strongly urged to make arrangements to visit and inspect the site(s) prior to proposing if the configuration, structure, condition, etc. of the site will influence the submittal for contract performance.

9. WITHDRAWAL OF SUBMITTALS

A submittal cannot be withdrawn after it is delivered to FCS, unless Offeror makes a request in writing to FCS prior to the time set for receiving submittals, or unless FCS fails to accept or reject the submittal within one hundred and twenty (120) days after the date fixed for receiving said submittals. After the submittal opening, FCS Contracting Department, at its sole discretion, will permit withdrawal only when the best interest of FCS would be served. If withdrawal is allowed, FCS reserves the right to determine that the Contractor is chronically not responsible.

10. ADDITIONAL TERMS NOT BINDING

FCS shall not be bound by any terms and conditions included in any Offeror’s proposed contract(s), including but not limited to, terms and conditions related to any provided service or good, limitations of the Offeror's liability or any other third party's liability, limitation of warranties, packaging, invoices, service catalog, brochure, technical data sheet, electronic disclosures, electronic agreements, or other document which attempts to impose any conditions at variance with or in addition to the terms and conditions contained in this solicitation, FCS’ purchase order related to this solicitation or contract.

FCS encourages the submission of value added recommendations by Offeror, but discourages the submission of terms which negate or conflict with the terms and conditions of this solicitation (See Section 11 below). If Offeror has additional terms and conditions, including but not limited to supplemental contracts or purchase orders, that Offeror is proposing, then Offeror must provide a list of the documents and a copy of each document in the listed order, with the Offeror's initial RFQ response. Additional documents proposed by Offeror may not incorporate other documents by reference - all documents Offeror proposes FCS consider must be listed and attached to Offeror's Submittal. No additional terms, conditions or documents will be considered after the submittal due date unless specifically requested by FCS.

11. EXCEPTIONS AND PROPOSED CONTRACT MODIFICATIONS

The terms and conditions contained in this solicitation comprise the contract terms and conditions proposed by FCS. FCS does not intend to make changes to those terms and conditions, unless necessary to clarify the scope of work and/or technical requirements. Offeror may lose up to 100 points for substantive modifications proposed by Offeror which materially differ from the RFQ terms and are likely to, in the opinion of FCS, require substantial legal negotiations to resolve. In addition, failure to accept the RFQ terms and
SECTION I – PREPARATION AND SUBMISSION OF SUBMITTALS

conditions may result in significant unacceptable delays in FCS’ ability to award a contract and may also result in an Offeror’s submittal being deemed to be nonresponsive.

Nonetheless, if an Offeror must take exception to the contract terms, the exceptions to the scope of work and/or technical requirements must be clearly identified along with the reason for the exception, and submitted with Offeror's submittal on Appendix II attached. Similarly, if Offeror must propose modifications to the solicitation's contractual terms, then Offeror must use Appendix III to specifically identify the contract provision Offeror seeks to modify, the reason for the proposed modification and Offeror must provide the specific contract language Offeror proposes to substitute in place of the provision. Offerors who submit a proposed or sample contract must still specifically identify each proposed modification using Appendix III. These Forms shall be placed in the submittal immediately after the executive summary.

Proposed exceptions and proposed modifications must not conflict with or attempt to preempt the mandatory requirements set forth in the Special Stipulations Section of this solicitation.

No exceptions or proposed modifications will be considered after the submittal due date unless such modification is specifically requested by FCS. Offerors are cautioned to limit exceptions and proposed contract modifications as they may be determined to be so material as to cause rejection of the Submittal as non-responsive. All exceptions and proposed modifications shall be evaluated in accordance with the appropriate evaluation criteria established by FCS and may result in the Offeror receiving a less favorable evaluation than without the stated exceptions and proposed contract modifications. Exceptions and modifications which grant the Offeror an impermissible competitive advantage as determined by FCS in its sole discretion will be rejected.

If there is any question whether a particular exception or modification would be permissible the Offeror is strongly encouraged to inquire via written question to FCS prior to the deadline for submitting questions.

No exception or proposed contract modification shall be binding on FCS unless specifically accepted by FCS in writing and acknowledged by FCS as a change to the terms of the solicitation.

12. COMPLIANCE WITH LAWS

All goods and/or services furnished shall comply with all applicable Federal, State and Local laws, codes, rules, ordinances and regulations, including but not limited to all FCS policies, procedures, operating guidelines and/or regulations. Offeror must and shall comply with all applicable federal, state, and local laws, rules, and regulations, as the same may be amended or supplemented from time to time, including but not limited to those pertaining in any way to the privacy,
SECTION I - PREPARATION AND SUBMISSION OF SUBMITTALS

Other protests shall be filed not later than three (3) working days after submittal opening date, or if the protest is based on subsequent action of FCS, not later than three (3) working days after the aggrieved person knows or should have knowledge, of the facts giving rise to the protest. Protests are considered filed when received by the Executive Director of Contracting. Protests which are not filed in a timely manner, as set forth above will not be considered. Further, it is within FCS’ sole and absolute discretion to determine Contractor’s responsibility or responsiveness after a contract is entered into. Finally, it is within FCS’ sole and absolute discretion to terminate this agreement, to not renew a Contractor or to not make an award to a Contractor who is determined to be not responsible or not responsive. None of the foregoing limits any other discretion that FCS has in relation to its solicitation process.

3. CONFLICTS IN TERMS AND CONDITIONS

In the event of a conflict between terms and conditions in any document that will be part of the contract and FCS terms and conditions, FCS terms and conditions shall govern.

1. PURPOSE

The purpose of FCS forming a district funded After School Enrichment Program is to enable Contractors to provide enrichment activities, connected to academics, for FCS students. Students need to enhance their learning through additional enriching activities during extended learning after school. These programs will allow students to have access to these activities at their local school, without having to receive transportation to another place of business. Students will participate in the After School enrichment program as part of the extended learning program. This After School Enrichment program will be evaluated for effectiveness. FCS has a vested interest in the quality of care and educational opportunities provided in After School Enrichment Programs. This contract will provide a vehicle for all Extended Time program initiatives as required by FCS. The programs that qualify may be used in conjunction with high dosage tutoring and extended learning.

2. BACKGROUND

As the fourth largest school system in Georgia, FCS has approximately 14,000 full-time employees, including more than 6,800 teachers and other certified personnel, who work in 100 schools and 14 administrative and support buildings. During this current school year, approximately 95,000+ students attended classes in 59 elementary schools, 19 middle schools, 18 high schools, and 10 charter schools. The Fulton County School System is one of the most unique school systems in the nation. Although not Georgia's largest school system in terms of student enrollment, it is one (1) of the largest systems in geographic area. From its southern end in the City of Chattahoochee Hills to its northernmost tip in Johns Creek, the county is more than 70 miles long.

3. REQUEST FOR QUALIFICATION PROCESS

A committee will review the Statement of Qualifications and evaluate the qualifications of the Offeror(s). Offeror(s) should make their best effort to describe their capabilities and expertise. The results of the evaluation will qualify firms and/or individuals to be included on the list of pre-approved vendors to provide after school enrichment programs. All Offerors who qualify will be notified of their selection and given an opportunity to provide submittals “as-needed” to FCS.

4. SCOPE OF WORK

FCS is seeking submittals from qualified providers to provide programs for Pre-Kindergarten to Grades 12 (ages 4-18). This program would be for before or after the school day, weekends, or during the summer. Access to schools will be granted on days...
that schools are in session, beginning in August at the start of school and continuing through May, and possibly during summer school.

SECTION A – AFTER SCHOOL ENRICHMENT PROGRAMS

1. AFTER SCHOOL ENRICHMENT PROGRAMS

The offeror shall provide an on-site After School Enrichment Program on one (1) or more days per week when school is in session during the regular school year. The time period shall be from the conclusion of the regular school day, until 6:00 p.m.

Any After School Enrichment Program desiring to extend their activity during the summer session will be required to complete a Use Agreement/Application for Use of School Facilities for each school location and pay accordingly the “use fee” in accordance with the fee structure by accessing Fulton County Schools website (www.fultonschools.org), under the Community tab, Facility Rental, Resources, Fee Schedule.

The following conditions apply to both academic year and summer programs:

a. Offeror(s) shall provide selected After School Enrichment Activities in FCS facilities
b. Offeror(s) shall pay FCS room rental and other fees for the use of FCS facilities.

2. STUDENT TRANSPORTATION

FCS cannot provide bus transportation for use by Contractor for any purpose, students will not be allowed to be transported.

3. SUPERVISION AND RESPONSIBILITY FOR CHILDREN IN AFTER SCHOOL ENRICHMENT PROGRAMS

Direct supervision must be provided to ensure that students are not destructive and unruly (causing disruption to other parts of the school building) because of lack of attention and/or stimulation. Children shall not be allowed to roam or be unsupervised in the school building. FCS expects the Contractor to discipline the children under its care and not allow inappropriate or dangerous behavior to occur during program activities. Lack of appropriate or quality supervision, inconsistent consequences for dangerous behavior, high tolerance of inappropriate behavior or other disruptions that are not controlled or remedied shall be a basis for terminating the services of the After School Enrichment Programs Contractor.

The Contractor shall be solely responsible for students enrolled in the After School Enrichment Program at FCS’ facilities, and shall not leave any child enrolled in the program unattended. Contractor and Contractor’s staff shall be responsible for maintaining control and discipline of children in the After School Enrichment Program including during emergency situations. Abuse of FCS’ facilities through
negligent supervision by the Contractor that result in repairs having to be made by FCS’ Maintenance/Capital Programs or its Contractors, will be at the After School Enrichment provider’s expense.

4. BUILDING, EQUIPMENT AND SUPPLY PROVISIONS OF AFTER SCHOOL ENRICHMENT PROGRAM

The Contractor shall insure that playground equipment used by the After School Enrichment Program is used in accordance with the intended use and by age appropriate children.

Any discovery that raises concern about the safety of the equipment and/or any observation of loose, damaged or missing playground equipment components shall result in immediate closure of the piece of equipment and notification of the Principal so that repair(s) can be initiated.

FCS’ maintenance staff and its authorized Contractors shall be the only agents who shall effect repair or make alterations to any playground equipment.

The Contractor shall have the use of the playground equipment contained within school property. The Contractor shall be fully responsible for the children under its supervision when the children are on the playground and/or playground equipment. The Contractor’s programs shall not alter the playground equipment or FCS’ buildings. Full liability insurance shall be maintained that covers this activity. The Contractor shall make every effort to separate younger children from older children to minimize risks of injury. When major repairs or re-construction are being performed on FCS’ playground equipment, the Contractor shall not use the playground equipment. FCS will notify the Contractor about plans for other FCS building projects that may affect operations of the After School Enrichment Programs.

In the event that construction or maintenance activity renders an interior area out-of-service, another similar area will be identified for the Contractor’s use. Program adjustment during such activities is expected.

The Contractor shall not make, or cause to be made, any repair or alterations to FCS buildings or other property, including but not limited to painting, carpentry, electrical mechanical, structural or non-structural improvements.

The FCS’ maintenance staff or its authorized Contractor(s) and Construction Manager, shall be the only agents permitted to make any repair or changes to the facilities or its equipment. All work shall be done by a work request or construction contract duly authorized by a Capital Programs or Facilities Services representative, as appropriate.

FCS will not provide any equipment, educational materials, office supplies, physical education equipment or other teaching aids for After School Enrichment Programs.
conducted within or on FCS’ facilities. The Contractor will not have use of the kitchen or kitchen equipment, including refrigeration.

5. FCS-PROVIDED BUILDING FACILITIES

The Board of Education policies and regulations which govern school use of FCS’ facilities shall also govern Contractor’s use of school facilities. The After School Enrichment Program shall confine itself to the rooms and corridors assigned for its use, and to the approved times. Classrooms shall be maintained and equipped for FCS’ instructional programs and any usage under this contract must maintain the appropriate cleanliness and order required of such a learning environment. FCS’ facilities shall be maintained by FCS in a safe, clean and acceptable condition.

Requests for After School Enrichment Program services will not be considered unless an identifiable space is available within a particular school building. The space will be made available during the hours chosen by each school Principal.

Furnishings such as built-in storage cabinets, counters, desk attached to walls, cabinets attached to counters or walls, sinks or other building features may vary from building to building and from classroom to classroom. FCS makes no assurances that any particular furnishings shall be available. The Contractor is responsible for providing storage for its After School Enrichment Program equipment and supplies. Any storage cabinets or other furniture placed in furnished room(s) shall be sturdy and non-tipping. Placement of all Contractor provided equipment shall be at the Principal’s direction.

FCS shall not be required to provide furniture or equipment for the use of the After School Enrichment Program(s), except if such equipment and furniture is in place in the space furnished and the school Principal has approved its use (this includes coat hangers on walls). The Contractor shall use no supplies or any of FCS' certified or classified employees’ supplies left in a classroom without prior written consent of the Principal.

FCS shall furnish room space, light, heat and air conditioning, power, and cold running water, for the operation of the After School Enrichment Program. FCS shall provide and supply sanitary toilet facilities, including paper towels and toilet paper, for the Contractor's employees and participants as indicated on SchoolDude. 7. SCHOOL CLOSINGS

FCS shall reserve the right to cancel or shorten any school day. FCS will give the Contractor notice of canceling or shortening a school day in non-emergency situations. In the event of emergency closure, FCS shall provide the Contractor with as much advance notice of the closure as soon as possible. The Contractor shall have a plan in place that instructs parents as to alternate pickup locations. After School Enrichment Program services shall not be provided on non-school days.

8. CUSTODIAL SERVICES AND BUILDING ACCESS

In collaboration with the school Principal, the Contractor shall request custodial labor for situations that exceed 6:00 p.m. the normal working hours (i.e.: for early release days, summer school days). The custodian or other FCS’ employee shall be paid at the applicable regular hourly or overtime rate. This additional overtime duty shall be paid by the Contractor and recorded on the monthly FCS’ billing statement. In addition to the normal defined custodial duties, custodians working regular overtime are responsible for providing access to the building and maintaining a FCS presence. The custodian shall not be required to serve under the direction of the Contractor or their staff. This arrangement generally allows for the cleaning of the entire building including the areas and building access of the Contractor during the custodian’s normal working hours. Any circumstances that would require additional custodial coverage outside the normal scheduled work hours will be evaluated on a case-by-case basis and the applicable hourly overtime rate will be utilized to calculate cost for reimbursement by the Contractor. Some buildings are cleaned by contracted custodial service firms. Any incremental cost increase created by the Contractor’s program will be evaluated on a case-by-case basis and the cost will be reimbursed by the Contractor. Cleaning shall consist of vacuuming, mopping, sweeping, trash removal, cleaning and stocking bathrooms, cleaning classroom sinks and occasional dusting as provided to other similar spaces in the building.

The Contractor shall make every effort to leave the space occupied by the program clean and in a presentable condition as possible by picking up trash, cleaning up spills and organizing the room back into its pre-existing configuration to ensure the room is ready for the next school day. Any additional cleaning requirements to make the room presentable for use the next day shall be reimbursed by the Contractor.

If the Contractor’s program activities cause an unusually large amount of trash that may require additional cleanup as a result of the activities, the Principal may be instructed by the Facilities Services Department to charge for the extra cleanup labor costs that are not included in normal custodian duties. Those additional costs will be billed to the Contractor.
9. EMERGENCIES

If an emergency situation (i.e. intruder, fire, inclement weather) occurs while the Contractor has access to a school building, the Contractor shall immediately notify the Principal or custodian. If the Principal or custodian cannot be found immediately, the Contractor shall call FCS’ Safety and Security. If a Contractor is unable to secure a building because it cannot contact a custodian; the Contractor shall first call the Principal; if that is unsuccessful, the Contractor shall call the FCS’ Safety and Security and request assistance in securing the building. The Contractor shall report any of the above incidents or similar incidents to the Principal as soon as possible.

10. HEALTH AND FIRST AID

a. Staff shall be trained in First Aid, CPR & AED and Universal Precautions.

b. The Contractor must have some mechanism/processes in place to document medical conditions (forms for parents to complete).

e) The Contractor shall be required to supervise students and shall be responsible for damage when their students are in the hallways, bathrooms, cafeteria, media center, playground, offices or any other areas of the building or school grounds.

f) Before performing certain acts which may cause later damage, e.g.: attaching objects or materials to walls, moving heavy equipment or furnishings within the room, using materials which may deface property or cause fires, conducting special events, etc., the Contractor shall advise the Principal of its intent and obtain written permission and/or written instructions on how to proceed. When transporting equipment or materials into FCS’ facilities, Contractor shall exercise caution and shall be responsible for damage to FCS’ facilities caused during this activity, including the marking of floor finishes.

If there are cases where state licenses require interaction between children and certain animals (that cause or may cause allergic reactions or otherwise be objectionable to a child or any employee), the Contractor shall notify the state license agency and find alternate animals that can be used in their program.

i) Once access is gained, the Contractor shall restrict its activity to the classroom(s) and other areas as assigned, including nearby bathrooms, hallways around the classroom(s) and the outside playground. Parents, children in After School Enrichment Program, Contractor's staff or anyone gaining access to a FCS’ building via the entrance when school is normally closed, shall be the responsibility of the Contractor. If the Contractor uses rooms in the school building other than the assigned room(s), it shall pay for the privilege and make prior arrangements with the Principal. The Contractor shall not attempt to obtain those privileges from the building custodian or any other FCS’ employee.

12. RENTAL COSTS SCHEDULE AND PAYMENT

FCS facility rental rates are posted on the Fulton County Schools website (www.fultonschools.org) under the Community tab, Rent an FCS Facility Rental, Fee Schedule (Effective July 1, 2019).
