RE: IFB No. 122-20, Playground Shade System

Please see Addendum No. 1 for the above-referenced solicitation.
A. The following changes have been made to the above-referenced solicitation:

   Delete: Page 23
   Add:    REVISED 11/20/19 Page 23

B. The following are questions received and FCS’ responses for the above-referenced solicitation:

   1. The Bid Schedule (page 23) states a quantity of (3) 32’X38’X8’ structures however, the Appendix II, site plan shows a quantity of (2) 32’X38’X10’ and (1) 32’X38’X8’ structures. Can you please clarify how many structures will have 8’ eave height and how many will have 10’ eave height?
      See revised page 23.

   2. Is there a list of approved manufacturers for the shade structures?
      No.

   3. Will you allow surface mounted options containing footers with rebar cages, encompassed in concrete and a base plate erection onto anchor bolts vs. an in-ground mounted installation?
      Yes, however; the Contractor must provide a signed structural drawing considering wind loads and submit details showing that it does not create a tripping hazard.

C. All other terms and conditions remain the same.
