RE: RFP NO. 143-20 Online Ordering of Career, Technical, and Agriculture Education (CTAE) Equipment

Please see Addendum No. 1 for the above-referenced solicitation.

ADDENDUM NO. 1
RFP NO. 143-20
ONLINE ORDERING OF CAREER, TECHNICAL, AND AGRICULTURE
EDUCATION (CTAE) EQUIPMENT

A. The following are questions received and FCS' responses for the above-referenced solicitation:

1. What is the required delivery date?
Delivery should take place within 30 days of receipt of the PO. If additional time is needed, the company should communicate with the CTAE office to see if it is acceptable.
2. Would you consider removing "Pricing provided must be better than pricing offered to general population" from the Price section of your terms?
No, please refer to Pg. 33 of the solicitation.
3. Can you clarify what kind of custom website you are seeking? Are you looking for a company that has a complete online order system or does FCS have their own website?
FCS would like to use a vendor's website to order equipment and supplies. If this is not possible please describe an alternative ordering process within your proposal.
4. Are there any current programs in place for Nursing, LPN, EMS, and simulation education? If so, are there any planned expansions for these programs over the next following years?
FCS current Health Science offerings include Sports Med, Allied Health, EMR, Pharmacy Tech, CAN/PCT and we are expanding into the area of EMT, Biotech and Health IT.

B. All other terms and conditions remain the same.
