PROPOSAL CONDITIONS

SECTION I – PREPARATION AND SUBMISSION OF PROPOSALS

1. INTRODUCTION

- a. To be entitled to consideration, sealed proposals shall be presented in accordance with the instructions of this solicitation and within the time constraints stated.
- b. Offeror(s) shall submit six (6) sealed proposals (**one (1)** original, **five (5)** copies) and **one (1)** flash drive to the office of the FCS Contracting Department, The Administrative Center, 6201 Powers Ferry Road, Atlanta, Georgia 30339. Delivery of proposals shall be submitted via hand delivery or mail (i.e. commercial carrier or U.S. Postal Service) only.
- c. Proposals received after the date and time specified by the time clock in the FCS Contracting Department will not be considered. It is the Offeror's responsibility to insure that its proposals are submitted in a timely manner.
- d. FCS reserves the right to accept or reject any or all proposals and to waive minor irregularities and technicalities. The judgment of FCS on such matters shall be final.
- e. The terms Bidder, Vendor, Contractor and/or Offeror are synonymous in this document and refer to the person, entity or firm that submits the proposal in response to this RFP.

2. REQUEST FOR PROPOSAL PROCESS:

This solicitation is a Request for Proposal (RFP). In using this method for solicitation, we are asking the marketplace for its best effort in seeking a “best value” solution to our requirement. The proposal(s) submitted by the Offeror will be evaluated by an evaluation committee. Offeror(s) should make their best effort to satisfy the requirements at their best price because a contract may be awarded based on the initial evaluation. Often however, it will be necessary to hold discussions and/or demonstrations with the Offeror(s) about their proposal(s). This will be done after the initial evaluation. The results of the evaluation will be reviewed and a “competitive range” will be selected for discussions. Essentially, if an Offeror's proposal is not evaluated as having a chance for contract award because of the content of the proposal and/or the price, the proposal will be dropped from the competitive range to save time and money for both the Offeror and FCS.

Offerors in the “competitive range” will be notified of the weaknesses in their proposals and given an opportunity, in discussions, to assure they understand the weaknesses. At the end of discussions with all Offerors, best and final offers (BAFO) will be accepted from the Offeror(s) in the competitive range.

The BAFOs will be evaluated and the results reported to a source selection official who will select the proposal that presents the best value to FCS. This selection will then be presented to the Fulton County Board of Education for approval. If approved by the Board and other matters (insurance, bonds, etc.) have been provided in accordance with this solicitation, a contract will be awarded.

PROPOSAL CONDITIONS

SECTION I – PREPARATION AND SUBMISSION OF PROPOSALS

If any person or firm contemplates submitting a proposal and is in doubt as to the meaning of any part of the solicitation documents, they may submit a written request via facsimile at (470) 254-1248 to the Contracting Department for interpretation.

Copies of all addenda will be posted on the FCS Contracting Department's Website www.fcspurchasingdept.org for all who have obtained a set of submittal documents from the Contracting Department to use in the preparation of submittals. FCS will not be responsible for any other interpretations or explanations.

No oral interpretations will be made to Offeror(s) as to meaning of proposal documents. Requests for such interpretations shall be made in writing to the Executive Director of Contracting. Failure on the part of the Offeror to do so shall not relieve them of the obligation to execute such work in accordance with a later interpretation by FCS. All interpretations made to the Offeror(s) shall be made to the form of addenda to the proposal documents and sent to all Offeror(s). Offeror(s) are strongly urged to make arrangements to visit and inspect the site(s) prior to proposing if the configuration, structure, condition, etc. of the site will influence the proposal for contract performance.

9. WITHDRAWAL OF PROPOSALS

by Offeror may not incorporate other documents by reference - all documents Offeror proposes FCS consider must be listed and attached to Offeror's Proposal. No additional terms, conditions or documents will be considered after the proposal due date unless specifically requested by FCS

11. EXCEPTIONS AND PROPOSED CONTRACT MODIFICATIONS

The terms and conditions contained in this solicitation comprise the contract terms and conditions proposed by FCS. FCS does not intend to make changes to those terms and conditions, unless necessary to clarify the scope of work and/or technical requirements. Offeror may lose up to **100** points for substantive modifications proposed by Offeror which materially differ from the RFP terms and are likely to, in the opinion of FCS, require substantial legal negotiations to resolve. In addition, failure to accept the RFP terms and conditions may result in significant unacceptable delays in FCS' ability to award a contract and may also result in an Offeror's proposal being deemed to be nonresponsive.

Nonetheless, if an Offeror must take exception to the contract terms, the exceptions to the scope of work and/or technical requirements must be clearly identified along with the reason for the exception and submitted with Offeror's proposal on Appendix II attached. Similarly, if Offeror must propose modifications to the solicitation's contractual terms, then Offeror must use Appendix III to specifically identify the contract provision Offeror seeks to modify, the reason for the proposed modification and Offeror must provide the specific contract language Offeror proposes to substitute in place of the provision. Offerors who submit a proposed or sample contract must still specifically identify each proposed modification using Appendix III. These Forms shall be placed in the proposal immediately after the executive summary.

Proposed exceptions and proposed modifications must not conflict with or attempt to preempt the mandatory requirements set forth in the Special Stipulations Section of this solicitation.

No exceptions or proposed modifications will be considered after the proposal due date unless such modification is specifically requested by FCS. Offerors are cautioned to limit exceptions and proposed contract as they may be determined to be so material as to cause rejection of the Proposal as non-responsive. All exceptions and proposed modifications shall be evaluated in accordance with the appropriate evaluation criteria established by FCS and may result in the Offeror receiving a less favorable evaluation than without the stated exceptions and proposed contract modifications. Exceptions and modifications which grant the Offeror an impermissible competitive advantage as determined by FCS in its sole discretion will be rejected.

If there is any question whether a particular exception or modification would be permissible the Offeror is strongly encouraged to inquire via written question to FCS prior to the deadline for submitting questions.
