PROPOSAL CONDITIONS

SECTION I – PREPARATION AND SUBMISSION OF PROPOSALS

1. INTRODUCTION

- a. To be entitled to consideration, sealed proposals shall be presented in accordance with the instructions of this solicitation and within the time constraints stated.
- b. Offeror(s) shall submit eleven (11) sealed proposals (**one (1)** original, ten (**10**) copies) and **one (1)** flash drive to the office of the FCS Contracting Department, The Administrative Center, 6201 Powers Ferry Road, Atlanta, Georgia 30339. Delivery of proposals shall be submitted via hand delivery or mail (i.e. commercial carrier or U.S. Postal Service) only.
- c. Proposals received after the date and time specified by the time clock in the FCS Contracting Department will not be considered. It is the Offeror's responsibility to ensure that its proposals are submitted in a timely manner.
- d. FCS reserves the right to accept or reject any or all proposals and to waive minor irregularities and technicalities. The judgment of FCS on such matters shall be final.
- e. The terms Bidder, Vendor, Contractor and/or Offeror are synonymous in this document and refer to the person, entity or firm that submits the proposal in response to this RFP.

2. REQUEST FOR PROPOSAL PROCESS:

This solicitation is a Request for Proposal (RFP). In using this method for solicitation, we are asking the marketplace for its best effort in seeking a “best value” solution to our requirement. The proposal(s) submitted by the Offeror will be evaluated by an evaluation committee. Offeror(s) should make their best effort to satisfy the requirements at their best price because a contract may be awarded based on the initial evaluation. Often however, it will be necessary to hold discussions and/or demonstrations with the Offeror(s) about their proposal(s). This will be done after the initial evaluation. The results of the evaluation will be reviewed and a “competitive range” will be selected for discussions. Essentially, if an Offeror's proposal is not evaluated as having a chance for contract award because of the content of the proposal and/or the price, the proposal will be dropped from the competitive range to save time and money for both the Contractor and FCS.

Offerors in the “competitive range” will be notified of the weaknesses in their proposals and given an opportunity, in discussions, to assure they understand the weaknesses. At the end of discussions with all Offerors, best and final offers (BAFO) will be accepted from the Offeror(s) in the competitive range.

The BAFOs will be evaluated and the results reported to a source selection official who will select the proposal that presents the best value to FCS. This selection will then be presented to the Fulton County Board of Education for approval. If approved by the Board

Potential Offeror(s) are invited to inform the FCS Contracting Department in writing whenever specifications or procedures appear not to be fair and open. Such information should be supplied as early in the procurement process as possible. Information received in less than five (5) days prior to the scheduled receipt of proposals will not be acted upon unless the FCS Contracting Department rules that it is in the best interest of FCS to consider.
- c. By submitting a proposal, the Contractor warrants that any goods supplied to FCS meet or exceed specifications set forth in this solicitation.
- d. The FCS Contracting Department will be the sole judge in making the determination as to the quality and the appropriateness of the services proposed as well as the responsiveness and responsibility of the Contractor.
- e. If any supplies, materials, and equipment are provided to FCS under this solicitation, then such items shall be new and in first-class condition unless the solicitation specifically allows offers of used, reconditioned, or remanufactured items. If newly manufactured products are specified, such products shall be of recent origin and not previously used. No equipment of any type is acceptable if serial numbers or any other manufacturer’s identification labels or marks have been removed, obliterated, or changed in any way. A Contractor delivering any such equipment to FCS will be deemed to have breached the contract, and appropriate action will be taken by the FCS Contracting Department.
- f. Time of delivery is a part of the solicitation and an element of the contract that is to be awarded. If the Contractor cannot meet the required delivery date, a proposal should not be submitted. Contractors may provide alternative schedules and/or delivery dates in their proposals. Time shall be stated in “calendar” days. Failure to

However, in the event taxes are required by state or federal law for the services or products outlined in this proposal, such taxes shall be the sole responsibility of the Contractor unless otherwise stated in writing and agreed to by FCS.

SECTION I – PREPARATION AND SUBMISSION OF PROPOSALS

Any addenda issued in writing during the time of solicitation shall be included in the proposal, and each will be incorporated in the subsequent contract.

If any person or firm contemplates submitting a proposal and is in doubt as to the meaning of any part of the solicitation documents, they may submit a written request via facsimile at (470) 254-1248 to the Contracting Department for interpretation.

Interpretations of proposal documents will be made by Addenda only. Copies of all addenda will be posted on the FCS Contracting Department's Website www.fcspurchasingdept.org for all who have obtained a set of submittal documents from the Contracting Department to use in the preparation of submittals. FCS will not be responsible for any other interpretations or explanations.

No oral interpretations will be made to Offeror(s) as to meaning of proposal documents. Requests for such interpretations shall be made in writing to the Executive Director of Contracting. Failure on the part of the Contractor to do so shall not relieve them of the obligation to execute such work in accordance with a later interpretation by FCS. All interpretations made to the Offeror(s) shall be made to the form of addenda to the proposal documents and sent to all Offeror(s). Offeror(s) are strongly urged to make arrangements to visit and inspect the site(s) prior to proposing if the configuration, structure, condition, etc. of the site will influence the proposal for contract performance.

9. WITHDRAWAL OF PROPOSALS

A proposal cannot be withdrawn after it is delivered to FCS, unless Offeror makes a request in writing to the Owner prior to the time set for receiving proposals, or unless the Owner fails to accept or reject the proposal within one hundred and twenty (120) days after the date fixed for receiving said proposals. After the proposal opening, FCS Contracting Department, at its sole discretion, will permit withdrawal only when the best interest of FCS would be served. If withdrawal is allowed, FCS reserves the right to determine that the Contractor is chronically not responsible.

PROPOSAL CONDITIONS

SECTION I – PREPARATION AND SUBMISSION OF PROPOSALS

including but not limited to supplemental contracts or purchase orders, that Offeror is proposing, then Offeror must provide a list of the documents and a copy of each document in the listed order, with the Offeror's initial RFP response. ***Additional documents proposed by Offeror may not incorporate other documents by reference - all documents Offeror proposes FCS consider must be listed and attached to Offeror's Proposal.*** No additional terms, conditions or documents will be considered after the proposal due date unless specifically requested by FCS

11. EXCEPTIONS AND PROPOSED CONTRACT MODIFICATIONS

The terms and conditions contained in this solicitation comprise the contract terms and conditions proposed by FCS. FCS does not intend to make changes to those terms and conditions, unless necessary to clarify the scope of work and/or technical requirements. Offeror may lose up to **100** points for substantive modifications proposed by Offeror which materially differ from the RFP terms and are likely to, in the opinion of FCS, require substantial legal negotiations to resolve. In addition, failure to accept the RFP terms and conditions may result in significant unacceptable delays in FCS' ability to award a contract and may also result in an Offeror's proposal being deemed to be nonresponsive.

Nonetheless, if an Offeror must take exception to the contract terms, the exceptions to the scope of work and/or technical requirements must be clearly identified along with the reason for the exception and submitted with Offeror's proposal on Appendix II attached. Similarly, if Offeror must propose modifications to the solicitation's contractual terms, then Offeror must use Appendix III to specifically identify the contract provision Offeror seeks to modify, the reason for the proposed modification and Offeror must provide the specific contract language Offeror proposes to substitute in place of the provision. Offerors who submit a proposed or sample contract must still specifically identify each proposed modification using Appendix III. These Forms shall be placed in the proposal immediately after the executive summary.

Proposed exceptions and proposed modifications must not conflict with or attempt to preempt the mandatory requirements set forth in the Special Stipulations Section of this solicitation.

No exceptions or proposed modifications will be considered after the proposal due date unless such modification is specifically requested by FCS. Offerors are cautioned to limit exceptions and proposed contract as they may be determined to be so material as to cause rejection of the Proposal as non-responsive. All exceptions and proposed modifications shall be evaluated in accordance with the appropriate evaluation criteria established by FCS and may result in the Offeror receiving a less favorable evaluation than without the stated exceptions and proposed contract modifications. Exceptions and modifications which grant the Offeror an impermissible competitive advantage as determined by FCS in its sole discretion will be rejected.

CONTRACTING DEPARTMENT

PROPOSAL CONDITIONS

SECTION I – PREPARATION AND SUBMISSION OF PROPOSALS

If there is any question whether a particular exception or modification would be permissible the Offeror is strongly encouraged to inquire via written question to FCS prior to the deadline for submitting questions.

12. COMPLIANCE WITH LAWS

All goods and/or services furnished shall comply with all applicable Federal, State and Local laws, codes, rules, ordinances and regulations, including but not limited to all FCS policies, procedures, operating guidelines and/or regulations including but not limited to those pertaining in any way to the privacy, confidentiality, security, management, and disclosure of FCS data, including student data, personnel information including but not limited to those pertaining in any way to the privacy, confidentiality, security, management, and disclosure of FCS data, including student data, personnel information. Jurisdiction and venue of any action relating to the interpretation and enforcement of this Agreement shall be proper only in the Superior or State Courts of Fulton County, or in the U.S. District Court, Northern District, Atlanta Division.

Other protests shall be filed not later than three (3) working days after proposal opening date, or if the protest is based on subsequent action of FCS, not later than three (3) working days after the aggrieved person knows or should have knowledge, of the facts given rise to the protest. Protests are considered filed when received by the Executive Director of Contracting. Protests which are not filed in a timely manner, as set forth above will not be considered. REQUEST FOR PROPOSAL INTRODUCTION

1. PURPOSE

FCS is seeking proposals from experienced and qualified contractor(s) and dealers to provide a district-wide discount of athletics uniforms and athletic apparel.

2. BACKGROUND

As the fourth largest school system in Georgia, FCS has more than 13,000 full-time employees, including more than 6,800 teachers and other certified personnel, who work in 100 schools and fourteen (14) administrative and support buildings. During the 2020-2021 school year, approximately 93,000 students attended classes in fifty-eight (58) elementary schools, nineteen (19) middle schools, sixteen (16) high schools (including two (2) open campus high schools) and seven (7) charter organizations.

FCS is one of the most unique school systems in the nation. The result is that the Fulton County School System is physically bisected by the City of Atlanta and its school system. While this wedge often leads to references of north Fulton and south Fulton, there is only one (1) Fulton County School System. FCS currently uses multiple contractors to provide uniforms and general athletic apparel.

Currently, FCS high schools have 15-18 sports at each of our schools except for Hapeville Charter (5 teams). Each high school also has JV and 9th grade teams based on numbers.

track, baseball, lacrosse, and golf will obtain the best prices when ordering uniforms and general athletic apparel. The schools will still have the choice in choosing authorized dealers to service their schools, but each dealer will have to agree to the prices set by the contractor and recognize the existing rebate program created by the successful contractor(s). Fulton County views shoes as equipment and not part of the uniform. If the high school offers a team shoe, it will be from the brand that they have agreed to purchase. Payment for services will be the responsibility of the local school and the amount will be determined by the number of team uniforms and athletic apparel ordered.
