RE:         Invitation for Bid 178-23, Janitorial Equipment

Please see Addendum No. 1 for the above referenced solicitation.
A. The following are questions received and Fulton County Schools (FCS) responses for the above referenced solicitation.

1. Is there is a staging location available for material that is offloaded by the carrier?
   Equipment is ordered as needed and delivered directly to the requesting site, eliminating the need for a staging location.

2. Is there is a preferred time frame for how long those materials can stay in that place before the “trainer” arrives to assemble?
   Equipment should arrive assembled and training should be provided to the appropriate staff when delivered.

B. All other terms and conditions remain the same.
