

1. Login to **Classlink** and locate the **Edgenuity** App icon:

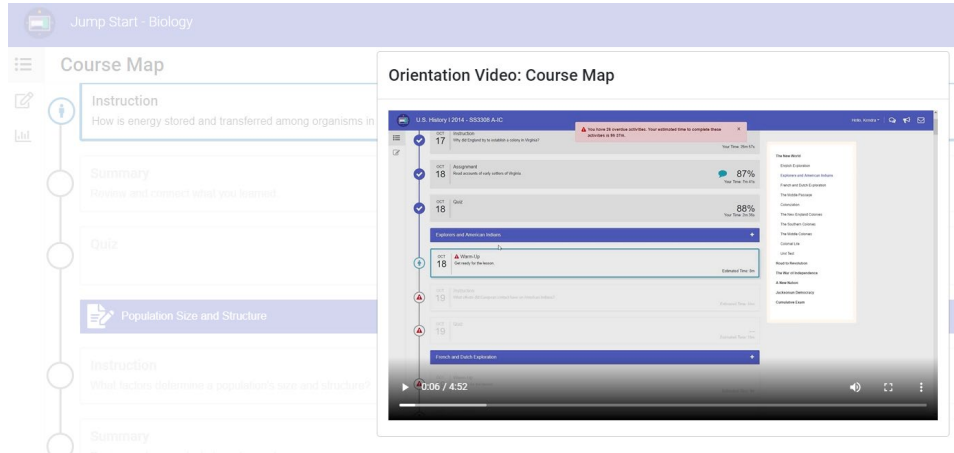

2. After opening Edgenuity, if this is your first time accessing it then please watch the Orientation video (if you have accessed Edgenuity through Classlink before, please go to step 3):

3. You can now see tiles of the courses you are enrolled in.

4. After clicking on next activity, your course will open with a short video detailing the course map and navigation through the platform:

5. You are now ready to work through your course(s):
