

PASSWORD RESET TOOL

Instructions

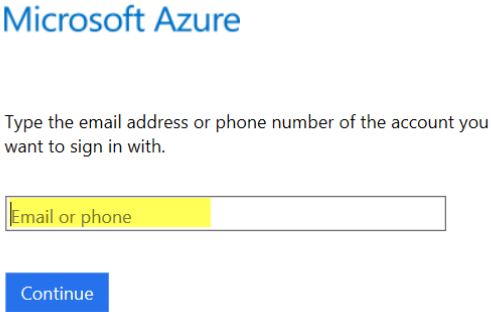

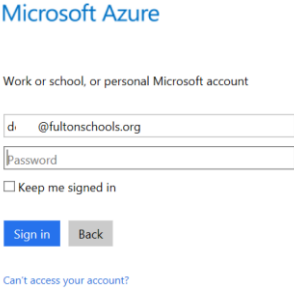

In order to use the Password Reset Tool to change a password or unlock a Student or Employee account, one **MUST** enroll first.

Please allow at least 15 minutes for the system to update all servers once a password has been reset or changed.

These directions will show:

- I How to enroll
- II How to change password or unlock your account

You only need to enroll ONCE.

Step	Action
I	Enroll
1	<p>Go to the site: http://aka.ms/ssprsetup. You can also access this from the Student Resources page of the FVS site.</p> <p>Enter your Fulton County School email address. For employees, this is in the form login@fultonschools.org. For students, the format is studentid#@fcstu.org. Click Continue.</p>  <p>The screenshot shows the Microsoft Azure enrollment page. It features the Microsoft Azure logo at the top. Below the logo, there is a text prompt: "Type the email address or phone number of the account you want to sign in with." Underneath this prompt is a text input field with the placeholder text "Email or phone". Below the input field is a blue "Continue" button.</p>
2	<p>Enter Password. Click Sign In.</p>  <p>The screenshot shows the Microsoft Azure sign-in page. It features the Microsoft Azure logo at the top. Below the logo, there is a text prompt: "Work or school, or personal Microsoft account". Underneath this prompt are two text input fields: the first contains "d @fultonschools.org" and the second contains "Password". Below the input fields is a checkbox labeled "Keep me signed in". At the bottom of the sign-in area are two buttons: a blue "Sign in" button and a grey "Back" button. At the very bottom of the page, there is a link that says "Can't access your account?".</p>

3 You will be given three verification options. Choose at least one of the options to set up.
