

## Meet our Abbotts Hill Candidates for SGC!

### Teacher Candidate: Londee Boyd

As a teacher veteran, I am elated to provide a vital impact in the growth and learning development of our students. Not only is teaching a rewarding profession, it is essential to building a strong foundation in our future leaders. With a vast background in all grade levels from K-7, it would be a wonderful experience to work with leadership and school stakeholders to continue the road of success and progress for Abbotts Hill. I am available and ready to co-labor with our Abbotts Hill School Governance Council to continue to provide and meet the needs of our school and surrounding community. Thank you.

### Parent Candidates

#### Matthew Bodine

Dear AHES Students, Families, and Faculty,

My name is Matt Bodine, and I am running for a 2021 SGC position. I believe our children are our most precious asset, and I have a vested interest in the continued success of AHES as we move together into the future. My wife Mallory and our two children Amelia, a Kindergartner at AHES, and Jack (1) have lived in John's Creek for 4 years. I am an Engineer with AECOM and have a BS in Mech. Engineering from the Univ. of South Carolina. Mallory is middle school teacher at Georgia Cyber Academy, delivering world class remote education. I have served as a student mentor, participated in numerous teach-ins/career fairs, and have been previously engaged in Community organizations.

Our Faculty continue to work tirelessly to adapt the education process to fit the needs for all of our children. Running for the SGC would allow me to make an investment back into our faculty and staff to allow them to continue the Mission, Vision, and Beliefs of AHES.

### Sanie Cedrone

Hi. My name is Sanie Cedrone (Nia). My daughter Madeline is currently in 3rd grade, enjoys being in Mrs. Sinha's class and loves Abbott's Hill! The past two years I have served on the SGC, I have a real sense of pride knowing, that I have contributed my skills to the board and community and hope that you consider allowing me to do two additional years. I encourage others to be involved and lead by example. I do my best to provide a strong link between parents, school and myself and provide good communication. Please note all the activities and involvement I have done with great pride are listed: PTA board member, room mom, volunteering numerous functions at school such as, book fair, parent photographer, staff appreciation week, father daughter dance, movie night, picture day for virtual students and food distribution each Wednesday to name just a few. Again, thank you for your consideration, I look forward to working with the board the next couple of years.

### Nathalie Oshunlalu

My name is Nathalie Oshunlalu, the mother of Nathan I. Oshunlalu who currently attends Abbotts Hill Elementary. Before a change in career to now work in the medical and insurance industry, I was a kindergarten teacher for almost 3 years. I enjoyed teaching then because I love making a difference in people's lives and educating kids, especially younger ones, always brought joy to me. It is even more so now since I get to see the rewards on a personal level through my own children as I continue to teach them educationally but also other aspects of life. In addition to being an active parent in my son's academic progress, I am also part of the room parent committee this year. I wish to serve on the School Governance Council to help bring improvement for student achievement. I am confident that my experience and background will aid in making decisions on programmatic and operational changes to improve the school's achievement as well. I hope to be a selected candidate then elected to serve.
