Transition to classrooms for facilitated small-group discussion.

7:45 – 8:30 p.m. (Facilitated Discussion in Classrooms)

After the general session, participants will go to the classroom indicated in the bottom right-hand corner of this agenda. It is possible members of your party will have a different assigned classroom than you. This facilitated process allows for maximum input of opinions in multiple classrooms, rather than limiting the discussion to one classroom. If you do not stay for the facilitated session, you can participate through a brief survey: <https://tinyurl.com/surveysafety>

During the facilitated sessions:

- Listen with an open mind and respect other viewpoints
- Attack the problem/issue, not the person presenting it
- Allow others an opportunity to share their opinions
