

## Fulton County Schools Back-to-School FoodStop Meal Distribution

Fulton County, GA - The first day of school may be different this year, but Fulton County School Nutrition will continue to serve nutritious & safe meals to all enrolled FCS students while schools are virtual.

When Universal Remote Learning was announced the Fulton County School Nutrition Program knew one of the top priorities included continuing to provide nutritious meals for all FCS students. The district began working on a food distribution plan for families to pick-up meals at centrally located school sites throughout the district.

The FCS FoodStop drive-thru model will be utilized to distribute weekly meals at 22 school sites throughout the district. The FCS FoodStop provides an opportunity for families to drive-up and pick up Grab & Go meal kits for students. To maximize social distancing, drivers are not to leave their vehicles; however, walk-ups are allowed.

Each FoodStop Meal Distribution Site will only serve students from specific feeder schools.

Our FoodStop Meal Distribution Sites allow communities to continue feeding children while school is remote.”

A new application must be completed every school year. If there is an interruption in benefits or the household does not reapply, the household is responsible for payment of meals until the Free and Reduced Application is approved.

- Free & Reduced Meal Applications are available online for the 2020-2021 school year. Visit [www.fulton.schoollunchapp.com](http://www.fulton.schoollunchapp.com) to begin the online application process.
