

CULTURAL KALEIDOSCOPE

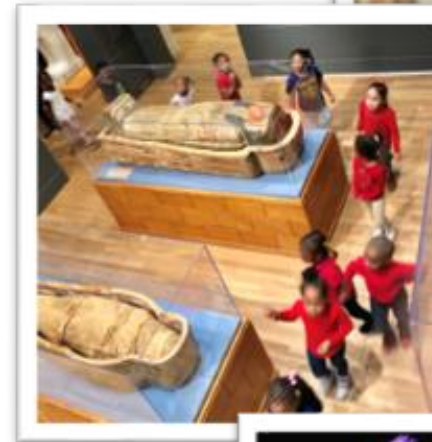

EXPEDITIONS FOR EVERYONE!

*Every grade level will have a “curated” trip
for the 2022-23 and 2023-24 school years*

A Field Trip for Every GRADE

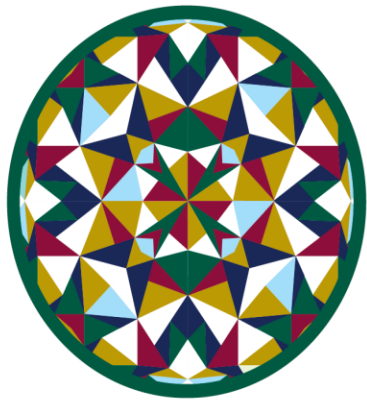

- **PK – 8th grades:** one *designated* fieldtrip venue for *each grade level*
- **High School teachers** will select an experience from a “*menu*” of venues
- Fieldtrips will **begin this fall** and run through the school year.
- As part of **FCS’s *Bridge to Success***, all admission and transportation costs will be covered by the district.

Impact for Students:

- Students will engage in **rich conversation & authentic experiences** to build vocabulary and content knowledge
- Field trip experiences are **grade level appropriate** and aligned to the **Georgia Standards of Excellence**.
- Selected venues span a range of content and curriculum areas, including **Science, Social Studies and the Fine Arts**.
- From an awe-inspiring planetarium show to the spectacle of live performance, Cultural Kaleidoscope will provide students a **diversity of experiences**.

- After a comprehensive application and review process, the **selected fieldtrip experience for each grade level will be announced later this summer.**
- **Booking and confirmation** for fieldtrip experiences will be handled by Cultural Kaleidoscope staff and coordinated with schools in the early fall.
- **Pre- and Post-trip learn materials** will be provided so that teachers can prepare students and make strong connections to classroom learning.
- **All students will be served** through the Cultural Kaleidoscope program and all schools are expected to participate.
- Cultural Kaleidoscope trips are **in addition to other school-selected field trips** and Teaching Museum programs. The program is not designed to replace existing experiences.
