(6 out of 7 boxes below)**

I have reviewed the terms of the Technology Competition on the website with my child and he/she is fully aware of the obligation to be in attendance at the Competition **on Saturday, December 14, 2019** at **Centennial High School**. Please check our website for information at:

I understand and agree that the decision of the judges is the final decision.

I understand students will be assigned judging times. Those times will be posted on the Competition website **no earlier than 1 week before the competition**. Students should plan to check-in at least 20 minutes before the assigned judge time. Your judging room will be available 15 minutes before your judge time. **If a student should miss the assigned judge time, there is no guarantee that there will be an empty slot, so allow plenty of travel time.**

### Individual Programming Challenge Participants (Grades 7 – 12)

**Check-in time will be 8:30 a.m.** After check in, go to your competition room and be in place by **9 AM**. The contest problems will be distributed to all students at the same time. You will have 2 hours to complete your project. You may leave after your project is complete, but you **MUST** return for your individual judge time. Please read ALL the information on the competition website.

I am aware and will ensure that my child's project is ready for presentation according to the Technology Competition Guidelines under the Categories link found on the website.

I am aware that there are **NO CATEGORY** changes made on the day of the competition. Students will be judged in the category for which the liaison registered them.

I will remain at the Competition with my child, (Required for elementary and middle school students only).
