

Who to Contact at River Eves Elementary

The Homeroom Teacher

is the first point of contact for students and families, especially for classwork, homework, grades and instruction, as well as incidents that occurred in class or at recess.

Teachers give their email addresses at Open House and you may locate email addresses in the MySchoolAnywhere app, the online school directory, this fall.

Ginny Long, Curriculum Support Teacher

is available for questions about the school's curriculum and academic programs. Address questions to her about academic assessments, class placement and special programs available.
