

Subject: Weekly Update: Highlights from Week 2

Dear Bear Creek Parents and Guardians,

I hope this email finds you well. I wanted to take a moment to share some exciting highlights from Week 2 at our school. It has been a productive and eventful week, filled with accomplishments and engaging activities.

Academic Achievements:

Our students have begun to excel in their academic pursuits. I am delighted to announce that several of our students received their devices this week, if you have not already, please sign the user agreement form located in infinite campus. Again, please ensure your scholars are handling the devices with care.

Sports and Extracurricular Activities:

Seven of our Bear Creek scholars have been actively participating in the Creekside Marching Band, displaying exceptional talent and teamwork. On Friday those scholars got to travel to Rome, Ga and play alongside Creekside's marching band as the Seminole's competed in the annual Corky Kell Classic. I would like to extend my congratulations to all our student-performers for their outstanding performances.

Community Engagement:

We believe in fostering a strong sense of community within our school. This week, I had the opportunity to meet with the officers of the PTSA and I must say we're off to a great start for collaboration and commitment to moving Best Creek forward, together. We encourage you all to join our PTSA, please see link below. Their selflessness and compassion were truly inspiring, and it was heartwarming to witness their dedication in making a difference in the lives of our scholars.
