

Coffee, Conversations and Counseling: March Madness!!!

Everything you need to know, right now!

Teamwork Makes the Dreamwork!

- We are in the final stretch of the schoolyear with many high priority activities and deadlines quickly approaching.
- We need all hands-on deck, and we are here to support as well.

Scheduling

- We are currently in the process of creating schedules for our Rising 6th, 7th, and 8th grade students as well as our Rising 9th graders going to Northview or any Fulton County high school. This year everything is being done virtually.
- A message was sent out in the beginning of March in regard to check Student schedules in Infinite Campus.
- If you requested any changes to your child's schedules they have been handled and sent to the high school.
- All scheduling request and recommendations have been received and are being worked on. Please reach out to your students' teacher for class recommendation. The counselors cannot and will not change teacher recommendations.
- To Request any online/virtual summer courses/virtual fall classes for the 2024-25 school year, please follow the instructions in the link on the Fulton Virtual School website.

Scheduling

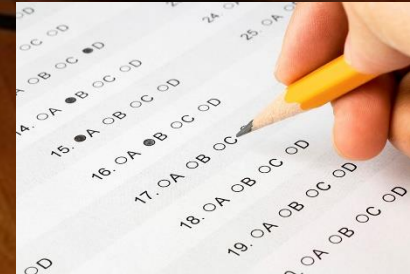

- For 6th and 7th grade students: Please look at their schedules in IC and make sure they have the correct level of Course on their schedule: Gen/Adv/Tag, etc.
- If your student is in a different level than what they have had in the past, you should have heard from your student's teacher. Please reach out to the specific teacher if you have questions or concerns.
- If your student is currently taking a year long course and wishes to continue, make sure it is on their schedule. If they wish to not to continue a year long course, please submit the changes. We encourage longevity.
- If you disagree with a recommendation that was made for your student for a certain class, and you would like for your student to move down, please email your student's counselor or grade level AP.

The Big Play!

Milestones Testing

- Milestones testing will take place for the 2023-2024 school year.
- All students, virtual or face to face, have the ability to take the test.
- Virtual/ online students will have to attend face to face during the days that the test are being administered. There is no virtual testing option.
- Testing dates are a specific window starting in April 22nd and ending The week of May 10th. Please refer to emails sent from our AA Ms. Godbole and information the Wolfden news.

Summer School 2024

- Students who do not successfully complete the school year may be recommended to attend summer school.
- This year, summer school will primarily focus on Incompletes in English, Math and High School Credit Courses.
- No connections courses will be taken in summer school. Students will receive a W/F on their report card/transcript for the connections that were not completed.
- If your student has received a letter or email in regard to failing for the year, there is a possibility that summer school may be recommended to move forward.
- Autrey Mill is hosting Summer School for River Trail Middle School and Taylor Road Middle School this year.
- Summer School is held through the months of June-July 5th
- Face to Face- NO VIRTUAL OPTION
- Information has been sent out in regard to summer school attendance.
- If looking to take any virtual courses during the summer, please look out for emails from your grade level administration or the counseling Team. The information sent out is pertinent information and please refer to it to answer most of your questions.

Final Countdown!!!

Thank you for your patience and help throughout this school year. Our Goal is to end this year strong and be prepared for anything that comes next year. Thanks to all parents and guardians with entrusting your students to. Each year, we'd like for your experience to be better than the year before. It takes a village, and we are all on the same team! 7weeks left! See you in April with more information on next years scheduling, grade level celebrations and ending the school year strong!
