</thead>
<tbody>
<tr>
<td>Provide a tray filled with textured material such as sand or shaving gel and encourage your child to practice writing familiar words and letters.</td>
<td>Go outside and find different sized rocks. Put them in order from smallest to largest. You can also talk about shape/texture/weight.</td>
<td>Put silverware away after it has been cleaned. Sort silverware by type and count the number of spoons and forks.</td>
</tr>
<tr>
<td>Have your child separate clothes into different groups, such as colors, light and dark, or socks and shirts.</td>
<td>Read to your child for 15 minutes.</td>
<td>Show your child a card with a number 0-9 on it. Have your child jump the number of the card. If your child can complete the activity successfully, try using numbers 10-20.</td>
</tr>
<tr>
<td>Read a favorite book. Draw a picture of the beginning, middle and end.</td>
<td>Predict how many hops it takes to get from one end of the hall/room to another. Then, check the prediction.</td>
<td>Give your child a piece of paper, have him/her choose a letter and write it at the top of the paper, walk around the house and see how many times your child can find the letter.</td>
</tr>
