

Girls Lacrosse Clinic

RIVERWOOD GIRLS LACROSSE INVITES YOU!

Interested in playing lacrosse? Wanted to try, but never had the chance? Do you currently play, and want to improve your skills or meet your future teammates? This is the clinic for you!

Who: Elementary-High School players (grades 3-12); NO EXPERIENCE NECESSARY, GOALIES WELCOME!

What: A fun and educational lacrosse clinic hosted by RICS Girls Lacrosse players and coaches. Those who attend will receive instruction and guidance from experienced girls' lacrosse players on the basics of lacrosse. If you have your own equipment, you are encouraged to bring it. Goalies *must* bring their own equipment (stick, helmet, pads, etc). If you need a stick or goggles, you may borrow one from our program for the day. You will want to bring your own mouth guard. We will play a short scrimmage at the end!

When: November 30th, 2019 from 9AM-12PM; DEADLINE FOR PRE-REG: NOV 29TH

Where: Riverwood International High School (RICS) Football Field

Why: To grow our love for the sport and extend it to other girls, and to raise money for helmets, tournament fees, and other expenses.

How much: \$30 per person (pre-registration to reserve your spot), or \$45 at the door. For pre-registration, please mail this form to: RAA-Girls Lacrosse, 5900 Raider Dr, Sandy Springs, GA 30328 with payment included. For payments at the door, please bring cash or write a check. You can also pay via our online portal (<http://bit.ly/LaxClinicFall2019>). It is case sensitive!
