Infinite Campus Parent Portal is the Fulton County Schools system to connect parents and students to student information. All parents must register to begin accessing Campus Parent.

**ACCESS**

- If you are a current parent and had a Campus Portal account previously in Fulton County, nothing needs to be done. Your prior account will continue to work as long as your student is an active student.
- If you are a current parent and need to add a new student to your profile, complete the Online Registration found in the section “More”
- Parents new to Fulton County will receive an email within 24 hours of completing the student enrollment process at a school.
- After completing the Campus Parent registration, you can access the Parent Portal at any time for all students in the same household.

New students to Fulton County can register in one of two ways.

1. Receiving an email from Infinite Campus within 24 hours
2. Go to Campus Portal page on the FCS website and click [Campus Parent Portal Activation](#)

- When on the web, Campus Parent Portal, the icon will collapse the information on the left side of the screen.
  - When using the mobile app, this icon will show the menu options.
➢ Select the desired student (if you have more than one)

You can select different sections in the Campus Parent Portal. Click on the desired section on the left.

**Message Center**

The Message Center includes announcements that are posted by the school or district level. Click Show More to display additional text for longer announcements.

The Inbox displays messages sent to the parent, including those from teachers. They may contain valuable information about possible field trips, assignments, school announcements and assemblies. Please check regularly and delete when read. Click on the > to expand the information.

**Today**

The Today view shows the selected student's schedule for the current day and any assignments due today or tomorrow. The schedule shows the courses, time of day, teachers name and room number.
**Calendar**
The Calendar displays data for **Assignments, Schedule**, and **Attendance**. Dots below dates in assignments or attendance have data. Click on the date to expand the information.

**Assignments**
The Assignments tool lists all assignments for the student for the entire school year. The subject, comments and grades are listed. Click specific assignments to view details and scroll to see previous and future assignments. Use the **Missing** and **Current Term** buttons at the top to filter assignments.

**Grades**
The Grades tool shows all the grades earned by the selected student for all tasks. Term grades are posted in bold, with In-Progress grades indicated as "In-progress."

Clicking on > next to the grade will display the assignments that make up the specific grade.
Click settings to hide dropped courses or courses without grades or assignments

**Gradebook Update**
Grade Book Updates lists all of the assignments that have been scored or updated in the last 14 days. These are listed in the order the teacher updated the gradebook, not by due date.

**Attendance**
The Attendance tool lists the absences and tardies for those periods that took attendance. Navigate between terms using the options at the top. To view details, click on a specific period. On the detail view, absences and tardies are divided by type (excused, unexcused, exempt, or unknown), with all absences and tardies listed below.

**Schedule**
The Schedule tool shows the student's schedule by day (including block scheduling), term/semester and whole year. Each schedule includes the times of the periods, with the teacher's name and room assigned. Filter by semester.
**Academic Plan**
The Academic Plan (for high school students) displays the student's assigned Academic Program and the courses the student has planned to take in each school year. Based on the assigned Academic Program, students must meet credit requirements, course requirements, test requirements and GPA requirements. The goal is to meet each requirement for each grade level.

**Documents**
The Documents tool allows user to print schedules, report cards, progress reports and unofficial transcripts for the specified student. The document will generate in a PDF. When using a smartphone, check your settings to allow PDF documents.

**More**
The More tab displays the following:

- **Assessments** will display any of the assessments released by the district such as the ACCESS test
