Each year, the counselors go into 9th grade classrooms to talk about the signs of suicide. As an upperclassman, you may have heard the acronym ACT before, but in case you forgot, this is a great refresher. Remember to ACT when you experience a friend in need, or if you need help. Acknowledge, Care and Tell. Acknowledge your friend by validating their feelings and taking what they say seriously. Care for your friend by being a good listener. Lastly, always Tell a trusted adult your concerns so we can make sure to get your friend the help they need. We want you to be safe and for your friends to be safe too! Remember, counselors are always available at school and the TEXT 4 Help service is another resource for after hours.

This year, our Cancer Awareness game will be September 20th. Events will begin at 7:00 pm and Varsity Football will be playing Johns Creek at 7:30 pm. This year we are raising funds by selling a bracelet for $5.00. All proceeds will benefit local charities. They will be sold at the 9/20 game, or they can contact Tara Gould at tara_gould@hoochfootball.net directly to purchase in advance. If you are a survivor, or would like to honor someone who has succumbed to this illness, please contact Tara Gould directly at tara_gould@hoochfootball.net to be included in the night’s activities. Please pass along this invitation to anyone in our community who would like to attend this special night honoring those touched by cancer.

We Belong in School! September is Attendance Awareness Month! Did you know that missing just 2-3 days of school a month can create a chronic absenteeism problem? It’s true. It is important to prevent absences whenever possible by scheduling doctor’s appointments outside of the school day, eating a balanced diet so you don’t get sick and talking to a trusted adult or friend if you are experiencing a problem. You belong at Chattahoochee and we care about seeing you on time and ready to learn each day! Regular school attendance is the key to your success.

"Johns Creek North Fulton Rotary is looking for host families for a young man who is spending this year at Chattahoochee High School through their Rotary Youth Exchange Program. This will provide him with the opportunity to learn about the American culture. Each host family will welcome him into their home for 3 months each. It is an exciting opportunity for your family to learn more about his culture as you show him ours. Please contact Mary Trapp, Rotary Youth Exchange Officer, at MaryTrapp@kw.com or by phone at 770-645-1320."
