We Belong in School! September is Attendance Awareness Month! Did you know that missing just 2-3 days of school a month can create a chronic absenteeism problem? Its true. It is important to prevent absences whenever possible by scheduling doctor’s appointments outside of the school day, eating a balanced diet so you don’t get sick and talking to a trusted adult or friend if you are experiencing a problem. You belong at Chattahoochee and we care about seeing you on time and ready to learn each day! Regular school attendance is the key to your success.
