The PAGE Student Teacher Achievement Recognition (STAR) program recognizes high school seniors who must have the highest score on a single test date on the SAT and be in the top 10 percent or top 10 students of their class based on grade point average. This year, two Chattahoochee Seniors, Sahil Hemrajani and Aman Shastry, were named as STAR Students. Sahil named Matt Sharp as his influential teacher and Aman named Morgan Wattenberg as his influential teacher. Each year, District winners are named from Fulton County to move on to the Regional Competition. This year BOTH Sahil and Aman were named District Winners and will move on to the Regionals! If you see one of these students today, please congratulate them on all their hard work and wish them luck at the Regional level.

TAG Internship sign-ups for Fall 2024 are underway. Please see your Hire Me Teams for all the information. Everything is due Wednesday, 2/21. See Ms. Wile or Mr. Sinco if you have any questions.

The Emerging Leaders Program (ELP) offers a unique opportunity for rising sophomores and juniors from North Fulton High Schools (public and private) who wish to develop leadership skills, identify and address community issues, and interact with local leaders. This is accomplished through a combination of interactive lectures, discussions, site visits, outside activities, community service, and networking opportunities. Flyers can be found around the school with QR codes to apply.

Reminder to purchase your ticket for prom! Don't wait! Ticket prices increase on Monday, February 19th. All students need to turn in a permission form to the AP office to attend. All guests need additional guest form also located in the AP office.
