Here are some important Café reminders for students:

- Lines should form directly out from the entry into the serving areas, between café tables (not along the walls where the cafeteria openings are)
- Unless you are getting a meal or extra sale item do not enter the serving area. You can wait for friends at a place outside the serving area (in the café, in the courtyard, etc.)
- Please, do not cut lines
- Lines should be single file. Please don't bunch up.
- When you're in the serving areas please stay in front of the serving line. This includes your hands.
- Check what is being served in the line you're in before waiting in line. If you want a rice bowl or nachos, do not ask the server in the Burger line to get it for you. She is not allowed.
- If you find that you don't have money on your account and text your parent to add it, it can take up to 24 hours to show in the Café's system. Even if MyPaymentsPlus shows that your mom/dad/grandma, etc. put \$100 on your account, MyPaymentsPlus has to verify that payment with Fulton County's system for it to show up in order for the Cashier to process your sale.
- Please be courteous to the servers. They really work hard and want to serve you your food as efficiently as possible.
