**Daily Announcements**

**September 19, 2022**

September is Suicide Awareness Month. The counseling team has created a bulletin board in the gym lobby to help raise awareness for our students and will be passing out resources at the club fair tomorrow. Next week, the counselors will be going into 9<sup>th</sup> grade classrooms to conduct the Signs of Suicide training. In those trainings, they will teach 9<sup>th</sup> graders the ACT acronym. For you older students, we to refresh your memory by reviewing parts of the acronym in the daily announcements this week. Today's reminder is the A in "ACT." It stands for Acknowledge. If you notice signs from a friend, or yourself, that are concerning, please acknowledge them. This is the first step to keep each other safe and in getting the help that is needed. You will find posters about the ACT acronym throughout the school today. Please look for those posters for more information and sign up to see your counselor if you have questions.
