Hooch SADD is excited to host Drowsy Driving Awareness Day on Thursday 1/30.

To bring awareness about Drowsy Driving, the SADD club has gotten a PJ day approved for Thursday 1/30 and will have a sleep shocker activity in the cafeteria during lunch periods.

Did you know?

Drowsy driving is dangerous because sleep deprivation can have similar effects on your body as drinking alcohol. Being awake for 18 hours straight makes you drive like you have a blood alcohol level of .05 (for reference, .08 is considered drunk). If you’ve been awake for a full 24 hours and drive (if there is a night you just couldn’t fall asleep) its like you have a blood alcohol level of .10.

The Counseling Department at Chattahoochee High School is pleased to host a Dual Enrollment Information Night on January 29th at 6:00pm in the Auditorium for both parents/guardians and students. We strongly encourage anyone who would like to participate in Dual Enrollment for the upcoming school year to attend. We will explain the process that is required for students to participate, discuss the details of the program, and hopefully help you determine if it is a good fit for your student. Georgia’s Dual Enrollment program allows high school students (9th – 12th grade) to earn college credit while working on their high school diploma. The goal of Dual Enrollment is to increase college access and completion and prepare students to enter the workforce with the skills they need to succeed. We hope you can join us on Wednesday, January 29th at 6:00pm to learn more. Do not miss out!
