## HELPFUL LEARNING TOOLS

### main idea

How can you determine the main idea of a text?

- Ask yourself "what is the text mostly about?"
- Look for clue words that are repeated
- Look at the title, headings, and pictures
- Re-read the first and last sections of the text

**Details:** sentences that tell more about, describe, or explain the main idea.

**Main Idea:** The main idea is what the text is mostly about.

The main idea of the text is \_\_\_\_  
 Details that support the main idea are \_\_\_\_  
 The details support the main idea by \_\_\_\_

### Compound Sentences

A compound sentence is two simple sentences joined together by a comma and a conjunction.

### Math:
