What is the GMAS Assessment?

What are the evaluations like?

What is the purpose of GMAS?  
and other evaluations?

**Join us on January 26th** in person or online to discuss assessments. At the end of our time together, we want you to understand the purpose of evaluations, the different types of evaluations, and distinguish between the various evaluations used here in Fulton County schools. We will also provide additional resources to support you after the session ends.

**Translator/interpreter services available upon request.**

Contact Stephanie Schmidt in [schmidtsl@fultonschools.org](mailto:schmidtsl@fultonschools.org) at least ten days in advance in case you need services.
