

CHANGING YOUR STUDENT'S TRANSPORTATION

Each student has a 'normal' method of transportation, but occasionally this must be changed. A change should be thoroughly discussed with your student and when possible, noted in their agenda for that day (so they don't forget by 4:05!). Most changes are pre-planned and should take place outside of the school day. When a last-minute change is needed, you may e-mail CMSfrontoffice@fultonschools.org and the change will be communicated to your student.

Students are assigned a bus based on the primary address in Infinite Campus. To ride any bus other than the assigned bus, you need approval from FCS transportation. Please contact Suzanne Schwitters 678-255-6622 or schwitterssc@fultonschools.org.
