Phased In Approach to face to face Instruction

Dear Jaguar Parents:

As previously shared, Fulton County Schools (FCS) has set target dates for returning to face-to-face instruction through a cautious and measured “phased in” approach.

We are already in Phase I and if the COVID-19 data continues with the positive trends we are seeing in Fulton County, the remaining phases will begin for **all grades** as follows:

- Phase III – begins Sep 21 for one full day of in-person instruction per week
- Phase IV – begins Oct 5 for two full days of in-person instruction per week
- Face to Face – begins Oct 14 for full-time in-person instruction

What does that mean for your student? **You get to choose.**

Participation in face-to-face instruction remains optional. You will need to provide your choice so that we can plan accordingly. Here is a link to a survey where you can enter your choice for your student. You may come back to face-to-face or remain in Universal Remote Learning (URL) through the end of this semester on December 18. Decisions for 2021 (second semester) will be made and shared with you soon. https://fultonschools.az1.qualtrics.com/jfe/form/SV_9tN1i9yUujA57rn

Check list to complete the survey:

- **Please have your student’s ID number (this is the same as their lunch number)**
- You will have a choice for in-person or remote learning for each phase
- If you have multiple students, you will need to enter your choice for each child separately
