Dear Royal Lions,

We sent information home about how parents can log into the Infinite Campus Parent Portal to access grades, attendance, report cards, etc. I am including the links to those documents below. So far this year, we have not had any parents logging in regularly, but we want to change that. We are encouraging all parents to set up their Parent Portal by next Thursday, January 28, 2021. **The task is for parents to set up their Parent Portal, look at student grades and send teachers a message.** Upon completion of this task, we will give any student whose parent completes this task 25 PBIS points and the parents will have their name entered in this month's MVP drawing. Our upper grade students can help you navigate the portal. We told them today about the plan, and how they can also earn PBIS points.

Fulton County Schools provides Campus Parent Portal Introduction Videos 1 of 9 in a series of help videos for parents/guardians of students enrolled in Fulton County Schools. Select the Parent Portal Video link below to go directly to the help videos. If you want to peruse the FCS Campus Parent and Campus Student Portal web page, please visit the infinite campus website: <https://www.fultonschools.org/infinitecampus>

I will send reminders every three weeks to check the portal. This will help you stay abreast of your child's performance and attendance, and hopefully encourage more two way open communication between parents and staff.

### Royal Family Roundtable Discussions

Our next Title I Royal Roundtable will be held Friday, February 5, 2020 (9:00 AM English and 10:00 AM En Espanol), and we will discuss the following things:

- Virtual Learning
- Wellness
- Addressing Technology Fatigue
- Accountability in a Virtual World
- Community Resources

I am including the 1/15 Royal Roundtable PDF documents and the corresponding presentation recordings.

## **PBIS**

Hello Parents, we are **excited** to share the great things happening with PBIS this school year. First, we are thrilled to share the news about what our schoolwide behavior data looks like over the course of the school year with the continued implementation of PBIS. We have **99 %** of our students at tier 1!!! Which means that our students here at Hamilton E. Holmes are displaying L.I.O.N.S behavior on a consistent/ daily basis, which is **AWESOME!**

This year we have continued to reward students PBIS rewards points for displaying L.I.O.N.S behavior (Leadership, Integrity, Ownership of Their behavior, Noble Citizenship and Safety). The students have been able to redeem their points to attend the virtual popcorn and a movie celebration as well as to participate in the Halloween Costume and treat. There will be 2 more celebrations coming up that will give the students an opportunity to redeem their points this school year, so we ask that you encourage your students to show L.I.O.N.S behavior as much as possible throughout the school day. Also, this school year we have continued to implement PBIS staff incentives for giving PBIS points daily to encourage our staff.

Furthermore, starting in February we will begin to implement a new student incentive, "Caught Being Good." Teachers/staff will give out slips to students for displaying exceptional "LIONS" behavior. The students will take their slip to main office to receive the following:

1. Students pick a small treat (pencil, tattoo, slap bracelet, etc.).
2. Students names are called over the intercom at the end of the day.
3. Students will have their slip entered into a drawing where each week 10 Star Students will be pulled to get a caught being good phone call/ make an announcement on the School-Wide Dojo.

This has been your P.B.I.S H.E.H update! Be on the lookout on our school-wide Class Dojo thread for the "Caught Being Good" Students of the Week beginning in February.

The Halloween Costume and Treat (October)= 210 students participated.

The VIRTUAL Popcorn and a Movie (December)- 256 Students Participated
