

Are you a TAG student interested in TAG Electives for the 2021-22 School Year?

TAG ELECTIVES

Become an Intern or Explore your own Interest for Course Credit!

Talented and Gifted Raiders have the opportunity to take TAG electives that are designed to academically enrich their high school careers and impact their future collegiate endeavors.

TAG DIRECTED STUDIES: HIRE ME

For Self-Motivated Rising Sophomores, Juniors, and Seniors.

The "Hire me" course is a semester long course that prepares students for Internship and Career. It teaches students all about professionalism in the workplace and helps them explore their career interest. It is a prerequisite course for gifted Internship. Rising juniors and seniors will take this course in the fall semester proceeding their spring semester of potential internship. Rising 10th Graders will take this course in the spring.

TAG INTERNSHIP

This course is a one/two Semester course for TAG students that offers them an opportunity to gain work experience in their field of interest. Students must have completed the "Hire me" course to apply for Internship. On applying, students work with our Internship coordinator who will work with the student to secure an Internship in one of their fields of interest. Gifted Internship provides a great opportunity for students to work alongside an expert in the career field of their interest and learn useful technical and other work-related skills. Internship is also a great addition to any student's college resume. Internship is ONLY for rising juniors and seniors. Students must turn in an application.

TAG Independent Study

For Self-Motivated Rising Juniors and Seniors.

This is a one/two semester elective course with a numerical grade. Students who want to independently pursue a course of study that either could not be fitted into their schedule or is not offered in the school curriculum can undertake the Independent Study elective. In this course students design their own course objectives, methods and assessment and develop a learning contract with the guidance of the TAG teacher. This course requires that students be self-motivated, capable of time management and possess self-regulatory skills to be able to successfully complete the course of study. Interested students must complete an application process and must also turn in two teacher recommendations for approval.

Please complete the electronic applications below and (2) teacher recommendations for the course of your choice.

TAG Elective Applications

*Please complete the appropriate applications. You must also provide 2 teachers with links for recommendations. The **DEADLINE to apply is 4pm on February 19, 2021.***
