

Technology Student Association (TSA)

Technology Student Association (TSA) is a nationally-recognized student organization, focusing on more than 28 STEM event competitions year round. Joining this club means you are passionate about STEM, self-motivated, and ready to compete!

TSA meets every Tuesday starting on 9/14 (Tues) at the Media Center from 3:30-4:45! Sign up using the QR code & check your TEAMS as you will be added to the TSA Club.

Registration form:

For more information about all the TSA competitions, go to <https://tsaweb.org/tsa/2021-national-tsa-conference-information>
