
Masks/Personal Protective Equipment (PPE)
- Masks required for employees
- Masks strongly encouraged for students at school and expected for those riding a school bus *
- Additional PPE in clinics and when serving medically fragile students

Wellness and Hygiene
- Hand sanitizing stations installed in school hallways
- Hand-washing and sanitizing encouraged throughout the day
- Paper towel dispensers installed in bathrooms
- Restricted use of water fountains/ encouraged use of water bottles

Physical Barriers
- Physical partitions placed in select locations, such as front desk, media center, etc.
- Isolation room and school clinic partitions

Health Services
- All persons who are sick are expected to stay at home
- Those who become sick at school or work will be sent home immediately
- Anyone reporting to the clinic will have their temperature taken
- All schools will have a room to isolate symptomatic persons

Public Health Signage
- CDC–designed signage displayed prominently throughout buildings to reinforce healthy hygiene and expected school and workplace behaviors
- Health information posted on how to prevent the spread of COVID–19
- "Stay at Home If Sick" notices
- Messages also in Spanish as needed

Enhanced Cleaning
- Improved routine cleaning and disinfecting of facilities by custodians
- Safe and effective cleaner provided to all teachers, school staff, and central office employees to use on high–touch surfaces and personal work areas

Bus Safety
- Personal Protective Equipment (PPE) for bus drivers, including masks and face shields
- Assigned student seating to improve loading and unloading *
- Safe and effective cleaner provided for high–touch surfaces after each run
- Buses to be disinfected after routes
- Sanitizing station to be affixed to the bus frame
- Student masks expected since social distancing cannot be achieved on school buses *
- Parents may choose to transport their child(ren) *

School Logistics
- Assemblies limited to smaller groups of students with information broadcast live for students in classrooms *
- Space out desks and tables in classrooms to improve social distancing *
- Stagger class changes *
- Limit distribution of school lockers *
- "Mask Down Zones" in classrooms where face coverings can safely, but temporarily, be removed for a brief break
- Building visitors will be limited

Student Meals
- Parents are expected to pay for meals online *
- Some students will eat in their classrooms using a grab–and–go model *
- Students eating in the cafeteria will be seated in a manner that supports social distancing *
- Pre–order meals will be available (via parent pick–up) for digital and remote learners as well as students who are quarantined

Updated July 24, 2020. Asterisks indicate initiatives on hold while the district is in Universal Remote Learning and students are not in a Face-to-Face learning environment.
