

CHS Grade Recovery Policy

Why Grade Recovery

Provides an opportunity for students who may struggle academically

Encourages parents to engage in the educational process

Helps students receive additional guidance and support

Helps to build mastery of standards

Prevents students from having to retake classes

Criteria & Steps to Recovery

Grade may be 79% or below

Step 1

Students initiate a conversation with the teacher(s)

Step 2

Student turns in ALL missing assignments for the grading period (6 week term)

Step 3

If average remains below 80%, students will meet with the teacher to choose which assessment(s) they would like to retake (*students must attend help session prior to retake*)

Step 4

Repeat as needed

*All assignments and assessments given within a 6 week grading period must be completed and /or recovered before the end of that 6 week period

**Late assignments will be penalized 10 points

***Retakes of assessments will be assessed at 100%
