## **AFTER SCHOOL IS BACK AT THE Y! INSPIRING SUCCESS IN CHILDREN IN & OUT OF THE CLASSROOM**

### **Great news Y families, afterschool programs are back!**

With schools back in session, we know many families need support for after-school care for your children and the Y is here to help! Beginning next week, our afterschool programs will be open to serve children **ages 5 through 12** from the time school ends **until 6:30 pm**.

Y afterschool programs provide a safe, nurturing environment while also offering creative and engaging ways for kids to stay active and connected after school hours. We know safety is top-of-mind for parents now more than ever. You can rest assured knowing your child's well-being is the Y's first priority.

### **Health and Safety Precautions**

The YMCA follows strict COVID-19 safety protocols established by the Centers for Disease Control and the Georgia Department of Public Health. Safety measures include but are not limited to the following:

- Masks are required for all participants and staff.
- Pre-check-in screening and temperature checks will be required for everyone (participants and staff) prior to entering the program site.
- Limited capacities and appropriate social distancing will be in effect.
- All program sites are deep cleaning every night and each weekend.

**We look forward to seeing your kids back at the Y!**
