MEDIA CENTER

The Media Center was buzzing with excitement during the month of November. The Scholastic Book Fair brought students and families together to build home libraries and foster a love of reading. We had over \$20,000 in sales which gave us a profit of \$9,000 Scholastic Dollars to use throughout the year! The Scholastic dollars will be used to purchase additional seating for students, media center supplies, and books for circulation. We are so thankful for the support and another successful fair!

As an incentive for students to return their books on time, there is a "Mystery Picture" hanging on the wall as you enter the media center. Each time students visit and don't have any overdue books; they can add a sticker to our mystery picture using a color code. Working together, the picture will be revealed in no time. We appreciate students returning books on time so that others can enjoy them, too!

Adventures in Reading is BACK! - Northwood PTA

You may have seen the Northwood PTA Reading log in your students' Friday folders. We are excited to bring rewards to students for logging their reading minutes once again!

Please initial your student's reading log every day they log and turn it in to their teacher at the end of the month via the homework folder. The PTA Chair will gather the logs and issue rewards to be delivered during the next week. Woohoo!

You can also take a photo of the completed log and email to Miranda Wiggleston at readingcounts@northwoodpta.com. Happy reading!
