

2021-2022 Fall Student Parking Application & Vehicle Registration

New for the 2021-2022 School year is that we will have both Fall and Spring parking registration. This parking application is for FALL only. At the end of the semester students will need to **RE-APPLY** for Spring Semester Parking.

We will have limited spots available in the Fall due to continued construction in the Junior Lot. The Junior Lot will not be available until Spring semester at the earliest.

Fall Parking Application Process: Two parts

- **Senior Priority Application Period:** First 260 Senior applications we receive will fill out the first 260 spots. If we do not fill out all 260 spots, then we will roll into the next timeline and grab the first names registered until we hit our 260 spots. All information regarding payment and sticker pickup will be relayed to the application upon receiving a spot.

- **Regular Application Period:** Only Seniors and Juniors will be allowed to apply.
 - Spots given via **Lottery System**.
 - When you apply your name is given a corresponding number in the system.
 - When we approach the parking deadline, we will randomize the remaining number of open spots and assign to students via a lottery.
 - All information regarding payment and sticker pickup will be relayed to the applicant upon receiving a spot.

Application Timeline:

- **April 12th - April 18th:** Senior Priority Application Period
- **April 19th - July 23:** Regular Application Period
- **July 26th** - Lottery for remaining spots
- **July 27th** - Parking recipients notified via emails provided.
