

STUDENT ACCIDENT INSURANCE PLAN

As a service to students and their families, Fulton County Schools partners with T.W. Lord & Associates to provide access to Student Accident Insurance coverage **for those students who do not have health insurance.** It will also provide additional coverage for those students who are covered by health insurance. The Plan provides insurance coverage for medical bills associated with an accident which occurs during certain covered school activities.

Please be aware the cost associated with the purchase of the coverage is **paid by the parent,** the plan is for the current academic year only and may be purchased at any time during the year. Please see the attached list (Exhibit A) for a summary of plans offered. In addition, we encourage you to review the plans at the websites listed below to determine if the coverages are right for your family.
