

Dear Parent(s)/Guardian(s):

My name is Janelle Layton and I would like to introduce myself to you as the Professional School Counselor at Dolvin Elementary School. I am excited and honored to be your school counselor! I look forward to working with you and your child this year.

The School Counseling program at Dolvin Elementary is based on the American School Counseling Association Model and our district standards. It includes a variety of services for ALL students and is designed to assist with interests and issues related to the stages of student growth in the areas of academic, career, personal, emotional, and social development. The following services will be offered for the 2020-2021 school year:

- Small group counseling sessions, with parent permission, for students focusing on: divorce, grief, study skills, friendship/social skills, and emotional regulation. If you feel that your child needs assistance in any of these areas please let me know.
- Individual meetings to help students adjust to school or help with personal issues on an as needed basis.
- Classroom counseling lessons with emphasis on personal/social skills, academic development (study skills), and career awareness.
- Referral assistance to other programs and services in the community.

If you have any questions regarding the counseling program, please contact me directly at 470-254-9275 or email me at [laytonj@fultonschools.org](mailto:laytonj@fultonschools.org). You can also access more information on my website
