

How Students and Parents can Speak with School Counselors

Students will still have access during this time to speak with their School Counselor. In order to do this, please go to www.haynesbridge.com. On the right hand side of the page, you will see Site Shortcuts. The first link under that is "Counseling Referral". Your child will need to fill out the online form making sure to include the phone number they would like to be reached at. Then once they hit submit, this referral will go to Mrs. Medlin and Mrs. Fisher's emails. They will reach out to the child to set up a time to speak as soon as possible.
